### Current News

The June Club meeting will be held at the flying field. The meeting will be on June 9, 2018 at 10:30 am. The meeting will be canceled if there is rain on that day.

Below is a list of activities happening this year:

IMAC Contest	August 11 & 12
Pylon Races	Sept 29 & 30

Below is the schedule for 2018 float flies at the field:

- 1) June 30 Saturday
- 2) July 21 Saturday
- 3) Aug 11 Saturday
- 4) Sept 8 & 9 Saturday and Sunday
- 5) October 13 Saturday

Shawn Lenci will be sponsoring the float fly events this year. These float flies will start at 8:00 am.

Both the pattern fly contest and the float fly were both held the first weekend in June. It must have went well since I did not hear of any major problems. Thanks goes out to Shawn Lenci to take on the float flies. He has been able to get a high turnout during these events because of his marketing skills.

There are still problems with the IMAC people not putting the equipment and other objects back to their original locations. The IMAC scheduled for August may be the last one if the field is not put

back to its original condition after the contest.

I have built another page on the web site. This page is to gather names and other information as needed for any events planned. This will allow the event organizer to get an idea of how many pilots plan to attend that event. I currently have the pylon races and the IMAC as events on this page. Any other event organizers that wish to utilize the page can email me at [rcfu@rcflyersunlimited.com](mailto:rcfu@rcflyersunlimited.com) and I will put that event as one of the selections. As need, I can download the list for an event and give it to the event organizer. Also if there is any questions or suggestions with the page, please email me through the above address. To access this page just open the web site and select the [Event Sign-up/Registration] button from the left side of the page.

I have received a new AMA safety guidelines with the adhesive backing to put up at the field. I will bring it out to the field for the June club meeting. Then we can get it posted at the field.
