Current News

The May Club meeting will be held at the flying field. The meeting will be on May 20, 2017 at 10:30 am. The meeting will be canceled if there is rain on that day. The theme for this meeting is war birds.

Triangle Series Pylon Races will be held at the field on May 6th and 7th of 2017. We will be needing 10 volunteers to help out with the judging and the cooking for both days. Entry fee is \$25 per event with the pilots meeting held at 8:30 each day. Please contact a club officer for more information.

We will also be having a Pattern Aerobatic competition at the field on June 3rd and 4th of 2017.

During the April meeting, the membership authorize getting a small trailer for the mower for a cost of up to \$1000. It should be a lot easier than trying to get the mower into the back of a pick-up, or hauled using a large unruly trailer.

Tis the season for wasps at the field (and a lot of them). Dave Vickers will purchase wasp spray in such a quantity that we will have a supply at the field for spot spraying after the initial spraying.

Prior to any event, depending on the size of the event, we need to ensure that the porta-potty gets cleaned and serviced just before the event. Otherwise, order another non ADA porta-potty for the event. These toilets will get filled up fast, plus the wash station and

toilet paper will be used up early during an event.

Secretary's Report:

I have completed and submitted the required tax forms to both the federal and state agencies. We have received our official 2017 field sanction for our field, plus the group insurance policy. We currently have 109 active members including 3 associate members and 3 family members.

Source of the jokes: <http://www.short-funny.com/>

Hearing voices in your head is normal. Listening to them is quite common. Arguing with them – acceptable. It is only when you lose that argument that you get in real trouble.

"If I wanted to commit suicide, I would climb up to the height of your ego and jump down to your IQ level."

Organized people are simply too lazy to search for stuff.

A jellyfish has existed as a species for 500 million years, surviving just fine without a brain. That gives hope to quite a few people.

I am nobody. Nobody is perfect. I am perfect.
