During the September Club meeting, we noticed the condition of the trees that were planted on the west side of the parking lot. A few of the trees have been damaged due to the lack of water. The membership decided on a plan to ensure that the trees will become or remain healthy and not die do to lack of care. We decided to ask for volunteers to adopt one or more trees. These trees will be the volunteers' responsibility to water, feed and care for the trees chosen. If one of the tree is dead or cannot recover, the club will purchase a new tree and the volunteer of that tree will continue with the care. Below is the current list.

Dick Belden had made two PVC building rack/tables for use at the field. Strangely enough, these racks walked off of the field. Dick as decided to build two more of these rack/tables for the field. These are strictly to be used at the field, not for your personal shop at home. If you want one, then contact Dick to get one built for you.

Wes McCann made a bunch of decals of our club logo as seen on the club hats. These are oval and are about 3.5 inches wide. If you wish to have a decal or two, contact Dave Vickers.

The latest Pylon races at the field when very well. The club netted \$455 for entry fees and lunch. Also the club currently has \$14,874 in the bank, and the lease was paid for another year.

The nominations for President, Vice President, Secretary, Treasure will be held during the October Club meeting. Please come and nominate you favorite candidate. Elections will be held during the November Club meeting.
